

An interactive workshop for Elementary Music Educators featuring

Heather Morris

Saturday January 20, 2007

Mount Royal College, Calgary

Twenty-Twenty Vision

A Fresh Look at Your Music Program

- Twenty ideas for integrating Canadian Folk Songs into the classroom
- Twenty Musical Puzzles: a great way to sneak in extra music reading
- Twenty easy steps for teaching 6/8 time
- Twenty music class management skills
- Twenty ways to use a canon

Heather Morris Kodály Society of Ontario

MASTER TEACHER

Heather has been teaching music in Waterloo, Ontario for 30 years. She has had extensive experience with the primary, junior and intermediate student. A graduate of the University of Western Ontario she extended her musical training to include the Kodály Summer programs at the University of Calgary. As a clinician she has prepared workshops for Canadian Kodály Associations at both the provincial and national level. She is a sessional teacher for Wilfrid Laurier University as part of the Kodály Certification program and has also been actively involved in curriculum development with the Waterloo School board.
